

Apache Futsal Club

Rohnert Park Indoor Soccer

2009 Winter Session Registration

☞ **This is our only YOUTH SESSION!** ☞

Ages 6 to Adult – All skill levels invited!

Apache Futsal is for *everyone*, a great opportunity to stay active & have fun playing soccer during the winter months. *This is an instructional league-all skill levels are welcome to participate.* Futsal is a 5v5 soccer game played on a basketball court. The hard surface, small goal & low-bounce ball enforce improving ball control, passing & shooting, which will show in your outdoor skills! We encourage fun, sportsmanship, skill-building & exercise during the winter months for youth & adults. The winter session will begin play November 14th & plays through January, except the holidays. Games played locally, indoor. Rules are similar to outdoor rules & easy to learn. Players must provide shin guards, shorts without pockets, & non-marking shoes. The league provides each player with a team T-shirt. **Affordable, healthy fun for the whole family!**

Our club is the oldest in the nation, come join us! For more info email apachefutsal@comcast.net, go online (NEW!) at www.apachefutsal.com or phone Susan Carney at 707.321.7587. Apache Futsal Club is a member of the U.S. Futsal Association.
